Guam

Guam, a US territory, provides a home to more than 160,000 people from over 20 ethnic backgrounds, with a unique blend of east and west. Its strategic location makes it the hub of Asian, Micronesian, and military cultures. Over 1.2 million Asian tourists visit Guam every year. It is located just inside the edge of the 10/40 Window. Almost everyone claims to be religious, with 95 percent being Catholic.

NEEDS

Most people on Guam claim to be religious, but only a small minority attend any kind of worship service. Cultic groups and Muslims are increasing their presence on Guam. Tourism is the main economic revenue for Guam, with over a million visitors coming to our shores each year.

Opportunities abound in reaching people with the gospel. A multicultural church, Harvest Ministries, is committed to helping people develop a heart for God. An open-enrollment academy, Bible college, radio station, along with many programs for children and teens all help spread the gospel. In the past, short-term medical/dental teams have ventured to the islands of Micronesia to help spread the gospel of Christ while serving the medical needs of the people.

HOW YOU CAN SERVE

- Ministering in conjunction with Harvest Baptist Church. Presently, we help with outreach and ministry to Micronesian youth and children, teaching Bible studies, discipling teens, and working with children.

- Church planters are also needed to work among the island’s distinct ethnic and cultural groups.
