

Jewish Outreach Team

They are known as “God’s Chosen People.” While scattered around the globe, the vast majority of the 14.4 million descendants of Abraham, Isaac, and Jacob live in Israel and North America. The United States has the second-largest Jewish population in the world.

Neither persecution nor political oppression have been able to subjugate this robust people. God has used them to give us both his Word and the Savior, yet many of them remain in unbelief.

Baptist Mid-Missions has a long history of ministry to these special people that continues to this day.

NEEDS

Many Jewish people view Christians with suspicion. After all, it was “Christian” nations like Germany and Russia that persecuted the Jews in World War II.

There are six million Jews in North America; most do not know Christ as their Messiah.

On average, it takes approximately 14 years for a Jewish person to accept Christ once they have heard the gospel message.

The Jewish Outreach Team (JOT) is actively targeting San Diego, Cleveland, and New York City, but they need more workers.

Evangelizing Jewish people requires an investment of time, love, and friendship. Building relationships is the key to their hearts.

HOW YOU CAN SERVE

- Pray for the salvation of Jewish people. The same God who transformed the heart of Saul of Tarsus is still changing hearts today. Build relationships with Jewish people. Show them the love of God with no strings attached.
- Share your own testimony with Jewish coworkers and others you meet. Talk to your pastor about launching an outreach ministry to Jewish people in your community.
- Remember: Laymen can often do a better job at reaching Jewish people than the “professional” minister. Jewish people want to see the power of God at work in the lives of Christian people.
- Workers are also needed to dedicate themselves to reaching Jewish people full-time. Contact us to learn how God could use you in this way.
