AFRICA IS THE FASTEST GROWING CONTINENT ON THE PLANET

Often times when people think of ministry in Africa, a village setting is what they visualize. However, the majority of the population in Africa is migrating towards urban cities.

FLAG engages students in the fullness of both urban and village ministries in Ghana!

What?
- Experience a six-week taste of Africa’s diverse ambiance, deep traditions, and immense need for discipleship.
- Choose city, village, or Christian school internship options.

Who?
- Students who:
  - Have a growing burden for global ministry and a passion for discipleship. Come with a willingness to serve and allow God to work in and through you!
  - Are in agreement with the BMM doctrinal statement and have pastoral approval.
  - The FLAG group size is limited to six individuals.

When?
- A six-week commitment anytime in May–August.
- Applications will be accepted until February 14, 2020.

In-Country Cost:
$900*

This covers Food, Housing, In-Country Transportation.

*There is an additional $40 non-refundable application fee. Airline ticket, passport, and visa fees, and spending money are separate.
