Stretch your faith and vision as you experience church planting firsthand in Germany. You may even discover God’s will for your life. If you’re looking for an enriching, educational summer, sign up for Germany Trek!

What is it?
In six weeks, five students will take classes to understand the German culture and missionary work ethic, participate in missionary and indigenous works, sightsee, and discover Germany as a mission field.
We ask that you be seriously interested in world missions and have a passion for discipleship. Come with an unconditional willingness to serve, and allow God to work in and through you. Lastly, we ask that you be willing to submit to the BMM doctrinal statement and have pastoral approval.

Applications must be in our office by February 15, 2021.

Cost
Total cost for the trip itself is $900 (this includes food, lodging, and in-country travel). There is an additional $40 nonrefundable application fee. Airline ticket, passport fee, and personal spending money are separate.
