

The Main Thrust of Deputation

Deputation is an important part of the process of missions. We have sought to address the matter in other issues of *Serve* ([see past issues here](#)). An essential aspect of deputation that many aspiring missionaries don't realize is that deputation is ministry. Ministry isn't just something that will happen when you reach your field; it is actually the main thrust of deputation. To delve into this topic a bit more, I sat down via video conference with BMM missionary Seth Grotzke. Seth, Crystal, and their daughter, Tanzen, are a part of a church-planting team in Ponferrada, Spain. Check out the five-minute video below to hear our discussion.
