

Climate

— Cambodia

Summer Internship: May - July 2021

bmm
Baptist Mid-Missions

What is it?

An immersion into the climate of ministering for Christ in a third-world country. Discover the needs, joys, and hurdles of serving among the world's poor during this six-week missions internship program. This experience can aid you in seeking God's will for you life.

Cost

In-country cost (food, lodging, and all transportation) is only **\$350**. There will also be an additional \$40 nonrefundable application fee. Airline ticket, passport fees, and spending money are separate.

What Can I Expect?

You will be able to plunge into Cambodia's spiritual and cultural climate, including living with a middle-class Cambodian family. You might also learn some of the Khmer language, serve in various ministry opportunities with a personal discipleship focus, and participate in cultural and ministry lessons. Offered to you is the chance to grow in passion to see Christ known clearly among all the peoples of the world.

Participants will serve with Michael and Michelle Freeze in Svay Rieng, located in southeast Cambodia near the Vietnam border.

Qualifications

You must be willing to submit to BMM's doctrinal statement, have pastoral approval, be seriously interested in world missions, and be ready to jump in. You will need to have an open heart to what God wants to teach you. Friends can come together, but the group size is limited to five, so if you are interested, you need to apply now!

Applications must be in our office by February 15, 2021.
