Set aside four weeks and serve side-by-side with missionaries as you gain hands-on church-planting experience in France.

What Can I Expect?

Expect to learn about the French culture and why France is one of today’s most neglected mission fields. You will learn about missionary methods of church planting in France through participating in literature distribution and local church ministries of all kinds. You can discover how God can use you with your individual gifts to share the gospel in a cross-cultural situation. Lastly, you can broaden your vision of the mission field and come away with a different view of missions—wherever God may lead you.
Qualifications
Come with willing hands to serve and an open heart to what God wants to teach you. You should also have an interest in world missions. Lastly, we ask that you be willing to submit to the BMM doctrinal statement and have pastoral approval.

Cost
Total cost for the trip itself is $1,300 (this includes food, lodging, and in-country travel). There is an additional $40 nonrefundable application fee. Airline ticket, passport fee, and personal spending money are separate.

Applications must be in our office by February 15, 2022.
