Stretch your faith and vision as you experience church planting firsthand in Germany, working alongside missionaries and nationals. If you’re looking for a spiritually challenging and enriching summer, sign up for Germany Trek.

What is it?

In four weeks, **five students** will take classes to learn about what it takes to be a missionary in Germany, participate in various ministry opportunities, and discover Germany as a mission field.
We ask that you be seriously interested in world missions and have a passion for discipleship. Come with an unconditional willingness to serve, and allow God to work in and through you. Lastly, we ask that you be willing to submit to the BMM doctrinal statement and have pastoral approval.

Applications must be in our office by February 15, 2022.

Cost

Total cost for the trip itself is $600 (this includes food, lodging, and in-country travel). There is an additional $40 nonrefundable application fee. Airline ticket, passport fee, and personal spending money are separate.
