

FIRST LOOK

Open your eyes to the opportunities!

FirstLook Missions Ministry Experience

This is a first look at ministry and life on the mission field under the care and example of an experienced missionary. Your host missionary will provide many new experiences, but they will also put you to work.

FirstLook is a tremendous opportunity to do missions and impact lives. Consider using FirstLook to fulfill internship requirements, or simply embrace this chance to explore God's place for you in the world. No matter what you think you know about missions, FirstLook gives you a hands-on experience working on the mission field to introduce you to **real people with real needs** that God wants to use you to meet.

Travel anytime

FirstLook experiences are available most times of the year, especially in the summer. The typical trip lasts between two and four weeks.

Expect an amazing experience!

Your missionary host and national friends will welcome you and care well for you. Each FirstLook experience is different, but you can expect to be blessed and to leave part of your heart on the mission field that God allows you to visit. To add to an amazing experience, you will have BMM on your side leading you through the many details of the trip.

Cost

BMM will calculate a support need for your trip that includes the missionary's cost to provide this ministry experience, emergency evacuation and short-term health insurance, and any air travel necessary. You will see God reward your faith as you raise the necessary support through your church, family, and friends. Each FirstLook application also includes a non-refundable \$40 application fee.
